April's Overview

Waldo - Adopted

## 01 Adoptions

April proved to be a good month for our animals with 32 of them finding their forever homes! 10 cats and 22 dogs now know the feeling of true love and the understanding of comfort with a family.

Happy Forever Guys!

## 02 Rescued & Reclaimed

May is...  
Chip Your Pet  
Month

Helena -  
Rescued

Taz - Reclaimed

We had a total of 50 animals sent to partner rescue groups and 18 animals that were reclaimed by their owners!

"have your people, call my people..."

## 03 Animal Intakes

For the month of April we intook 175 animals. That's an average of almost 6 new animals per day all from within our community of Hopkins County.

With puppy & kitten season now well established we expect to see monthly intakes between 300-400 through July.

With a microchip your pet has a unique identifier to reunite a lost pet with their owner **70% more quickly** than an animal not microchipped.

## 04 What's Next?

Join us on May 20th & 21st at Burkes Outlet Mall from 11am - 3pm for an Adoption Event! Burkes will be collecting donations, both physical and monetary, for us during the entire month of May!
